BRITISH ASSOCIATION OF DERMATOLOGISTS
HEALTHY SKIN FOR ALL

Hot Topic Application Form

As part of the BAD Annual Meeting, we are inviting applications to hold a Hot Topic as part of the official programme. Hot Topics should be areas of interest to a percentage of the BAD Annual Meeting attendees and be specifically something that wouldn't be normally found in one of the main Plenary or Special Interest Groups.

Hot Topics are scheduled during the break mid-morning and mid-afternoon. They take place in the built sessions rooms that can accommodate up to 300 people with headsets provided.

Accepted Hot Topics will from part of the BAD Annual Meeting programme, be open to all registered attendees and feature in the meeting App. They will also be audio recorded and available on the post event virtual platform for 6 months. Presenters in accepted Hot Topics will receive waived registration for the main 3 days on the BAD Annual Meeting.

Please use the section below to outline your proposal for a Hot Topic. Applications will be considered by the BAD Conference & Events Committee. It will not always be possible to include all applications.
